Section I. Background

The Mississippi Department of Child Protection Services was created as the state's lead child welfare agency by the 2016 Mississippi Legislature, separating it from the Mississippi Department of Human Services. The mission of MDCPS is to lead Mississippi's efforts in keeping children and youth safe and thriving by:

- strengthening families;
- preventing child abuse, neglect and exploitation; and,
- promoting child and family well-being and permanent family connections

Use of Terms

As used in this RFP, the words "proposal" and "application" shall be used interchangeably to refer to the response of this RFP. Parties responding to this RFP will be referred to as "Proposers". The successful Proposers to whom a subgrant will be awarded will be referred to as "Subgrantee."

Description of Services

- A. Goal of the Program: The goal of the Prevention subgrant is to strengthen families in order to reduce child abuse and neglect in the general population and in high risk targeted groups. Programs should incorporate the Protective Factor Framework into the overall program strategy.
- B. Purpose of the Program: Programs should place emphasis on supporting community-based efforts to develop, operate, expand, enhance and where appropriate, to network initiatives aimed at the prevention of child abuse and neglect, and to support networks of coordinated resources and activities to better strengthen and support families to reduce the likelihood of child abuse and neglect.

Target Population

Programs should have some activities available to the general population such as public awareness and education activities in regards to preventing child abuse and neglect. In addition, programs should also target services to vulnerable families that are at risk of child abuse or neglect.

Applicants are encouraged to offer evidence-based, promising and/or emerging/evidence informed program services that serve one or more of the following population(s):

- Teen or single parents

- Parents and/or children with disabilities
- Racial and ethnic minorities
- Members of underserved or underrepresented groups
- Fathers
- Homeless families and those at risk of homelessness
- Unaccompanied homeless youth
- Parents with Substance Abuse Issues
- Adult former victims of child abuse and neglect or domestic violence

Proposers are expected to describe the participants who are planned to be involved in the interventions, including the estimated number of participants for each service.

Demographic information (such as, population of county, age, ethnicity, etc.) is requested.

F. Conceptual Framework

Applicants shall provide primary and/or secondary child abuse prevention services, which are those services designed to prevent the occurrence of child abuse and neglect before it transpires. Grant funds must be used solely for the purpose of primary prevention programs and strategies which are available to all families, as well as secondary, targeted, prevention efforts, which target children and families at risk of child abuse or neglect. Funds **may not** be expended for treatment or tertiary prevention.

As a fundamental piece, prevention programs should integrate the Protective Factors Framework. For more information on the Protective Factor Framework, please visit <https://www.cssp.org/reform/strengthening-families/basic-one-pagers/StrengtheningFamilies-Protective-Factors.pdf>.

A continuum of prevention services that build on the strengths of families should be developed and involve parents in the planning, implementation, and improvement of community-based child abuse prevention programs. There is a strong emphasis on demonstrating a meaningful commitment to parent leadership including parents of children with disabilities, parents with disabilities, racial and ethnic minorities and members of other under-represented or underserved groups.

Definitions:

Primary Prevention

Primary prevention activities are directed at the general population and aimed at positively influencing parents/guardians/caregivers, and/or children **before abuse and neglect occur**. All members of the community have access to and may benefit from these services.

Primary prevention attempts to influence societal forces that impact parents and children.

Primary prevention activities with a universal focus seek to raise the awareness of the general public, service providers, and decision-makers about the scope and problems associated with child maltreatment. Universal approaches to primary prevention might include:

- Public service announcements that encourage positive parenting,
- Parent education programs and support groups that focus on child development, age appropriate expectations, and the roles and responsibilities of parenting,
- Family support and family strengthening programs that enhance the ability of families to access existing services, and resources to support positive interactions among family members,
- Public awareness campaigns that provide information on how and where to report suspected child abuse and neglect.

Secondary Prevention

Secondary prevention of child abuse and neglect refers to those supportive services targeted towards populations who are considered to be “at-risk” because of their life situation. Secondary prevention activities with a high-risk focus are offered to populations that have one or more risk factors associated with child maltreatment, such as poverty, parental substance abuse, young parental age, parental and/or child mental health concerns, and parental or child disabilities. Interventions may target services for communities or neighborhoods that have a high incidence of any or all of these risk factors. While child abuse or neglect may not have taken place within these groups, the probability that it will occur is presumed greater than in the general population.

Secondary prevention seeks to prevent future problems by focusing on the particular stresses of parents, caregivers, and youth identified at-risk (i.e. teen parents). Approaches to prevention interventions that focus on high-risk populations might include:

- Parent education programs located in high schools, focusing on teen parents, or those within substance abuse treatment programs for mothers and families with young children,
- Parent support groups that help parents deal with their everyday stresses and meet the challenges and responsibilities of parenting,
- Home visiting programs that provide support and assistance to expecting and new mothers in their homes,
- Respite care for families that have children with special needs,
- Family resource centers that offer information and referral services to families living in low-income neighborhoods.

Tertiary Prevention (Not Fundable through this RFP)

Tertiary prevention activities focus on families where maltreatment has already occurred and seek to reduce the negative consequences of the maltreatment and to prevent its recurrence. Tertiary Prevention may also include services to prevent the removal of children from the home. Tertiary prevention activities **do not** fall under the scope of this RFP.

Protective Factors Framework

“Protective factors are conditions or attributes in individuals, families, communities, or the larger society that, when present, mitigate or eliminate risk in families and communities that, when present, increase the health and well-being of children and families. Protective Factors help parents to find resources, supports, or coping strategies that allow them to parent effectively, even under stress” (Child Welfare Information Gateway). Protective Factors are linked to a lower incidence of child abuse and neglect. All families need some support in building protective factors. All applicants should employ the Protective Factors into their programs.

- *Parental Resilience* – Parents who are able to cope with daily stressors and the occasional crisis have resilience. Resilience is flexibility and inner strength. It assists a family in bouncing back when things are not going well. Multiple life stressors may reduce a parent's ability to cope with day-to-day stresses of raising children.
 - *Social Connections* - Parents with a social network of emotionally supportive people often find that it is easier to care for their children and themselves. Most parents need people they can call on once in a while. Isolated parents have a higher risk of child maltreatment.
 - *Knowledge of Parenting and Child Development* – Healthy child development can be linked to effective parenting. Children whose parents understand the developmental stages of their child are more likely to provide effective parenting. Effective parenting skills, affection, communication skills, and consistency promote a healthier child and relationship.
 - *Concrete Support in Time of Need* - Families who can meet their own basic needs and have access to essential services to address their needs are better able to ensure the safety and well-being of their children. Helping parents identify and access resources in the community may help prevent the stress that sometimes precipitates child maltreatment.
- Healthy Social and Emotional Development* - Parents support healthy social and emotional development in children when they model how to express and communicate emotions effectively. A child's social and emotional proficiency is fundamental to positive relationships with family, adults, and peers. Delayed social-emotional development may hinder relationships.

G. Proposer Qualifications

Each applicant must:

- a. Have as its primary purpose, the development and facilitation of a community-based child abuse prevention program in a specific geographical area of Mississippi, which shall utilize trained volunteers and existing community resources where practicable;

- b. Be administered by an organization or group which is composed of or has collaboration with numerous public and community organizations which may include, public welfare, health and medical entities, courts, law enforcement, schools, and other local public or private organizations or agencies which provide programs or services for the prevention of child abuse and neglect and educational programs for the prevention of problems of families and children;
- c. Demonstrate a willingness and ability to provide prevention program models and consultations to appropriate organizations within the community regarding prevention program development and maintenance.

H. Program Narrative

The Program Narrative should address in detail how you plan to accomplish all listed components of your child abuse and neglect prevention program. The primary purpose of the intervention must be **child abuse and neglect prevention**. All programs must be voluntary. All programs should incorporate the Protective Factors, wherever appropriate. Primary prevention programs should seek to promote positive family functioning rather than just the prevention of problems. Secondary prevention programs should focus more on the factors that put the particular population at risk than that of primary prevention programs.

The required interventions shall be supported by evidence-based, promising, and/or evidence-informed/emerging practices, whenever possible. MDCPS requires that applicants select at least one intervention for implementation that is outlined in a clearinghouse or registry of evidence-based, promising, and or evidence informed/emerging practices. MDCPS recognizes there are a number of evidence-based, promising, and evidence informed/emerging programs that can meet the needs of children, families, and communities. The intervention must be replicable with child abuse and neglect prevention. The applicant must reference the clearinghouse/registry from which the intervention is obtained. The applicant must also identify the level of research the proposed intervention has undergone and which one of the following categories the intervention should be classified under:

- a) Emerging and Evidence Informed: Ongoing collection of pre-post data, Peer Review and documentation of all implementation activities.
- b) Promising Practice: All elements of evidence informed practices plus one quasi-experimental design with control or comparison group and model fidelity is kept.
- c) Supported Program: All elements of promising practice programs with two randomized clinical trials or two between group design studies and one year sustained effect.
- d) Well Supported Program: All elements of a supported program plus multiple site replications.

Programs should be comprehensive, child-centered, family-focused and community-based, should incorporate all appropriate measures to prevent the occurrence of child abuse and neglect and should promote physical and psychological recovery and social re-integration in an environment that fosters the health, safety, self-respect and dignity of the child.

Volunteer support should be utilized wherever possible. Volunteer support can come from the community as well as those served through the project. Parental involvement as leaders is essential to the success of the program.

General Information

Communicate the risk factors that apply to the applicant's specific geographical area that are associated with child abuse and neglect. Reference how you came to this conclusion. The need for services in your area should be identified and described in the proposal.

Identify the specific priority systems to target for the integration of child abuse and neglect prevention programs, providing justification for how the proposed systems will directly reach communities at higher risk. Describe the mechanism to be used to promote evidence-based child abuse and neglect prevention services within the community.

Describe how collaboration with parents as partners will be addressed in the structure of your program.

Describe approaches used to address cultural issues and integrate culturally relevant information.

Address key challenges you may encounter and strategies for how these challenges might be overcome.

Describe the overall goals for this proposal and how will you reach these goals. Describe the activities that will be the framework of your program and services.

Include a Work Plan (Exhibit M) that describes the strategies or steps that will be used to achieve each of the required activities during the initial project period. Include a timeline of anticipated implementation of program components and activities. As appropriate, identify meaningful support and collaboration with key stakeholders in planning, designing and implementing all activities. Include in the prospective Work Plan, a description of the strategies or steps that will be used to achieve each of the activities requested during the entire project period and when and how the additional services will be implemented over the entire project. If selected, an applicant will be required to provide an updated Scope of Service for each renewal period that includes the specifics of what services will be implemented and continued during that subgrant year and the strategies or steps that will be used to achieve each of the activities.

For each program component, the applicant must provide an expected number of families and/or children to be served by the activities for those components. Staffing requirements and qualifications of current staff to be utilized in the program should be included as well as those of proposed staff.

Requirements of the Child Abuse and Neglect Prevention Program

The following are essential elements to be developed and implemented during the initial phase of the prevention program.

Childcare will be offered to families who participate in activities, particularly workshops Parent Cafés, and parenting classes. Childcare will be offered in a developmentally appropriate space in conjunction with these scheduled activities. This is essential for the success of the program to allow parents the freedom to participate fully and gain the required skills to prevent child abuse and neglect in their respective homes.

Public Awareness

All applicants must have a public awareness plan that focuses on educating the general population about child abuse and neglect and ways to prevent it. Community public awareness campaigns that heighten awareness of child abuse and prevention techniques and protective factors, educate the public on identifying and reporting abuse, and emphasize positive parenting techniques should be essential elements of public awareness activities. Particular focus should be placed on events specific to National Child Abuse Prevention Month (aka Blue Ribbon Month) each April. National Child Abuse Prevention Month participation is a requirement of this RFP.

Public awareness should inform the community of available interventions of the program and promote the interventions. Information may be geared to the general public and/or a specific target group meant to heighten awareness of child abuse and neglect.

The following are examples of public awareness activities that may be utilized. This is not an all-inclusive list of activities.

- Media campaigns that utilize newspaper ads, television, public service announcements, and articles;
- Fliers, posters, brochures; and newsletters;
- Public speaking at local clubs, faith-based groups, and organizations;
- Displays at local health fairs, community events, and conferences;
- Internet and social media;
- Workshops for community groups (e.g. school personnel, childcare providers, social workers, religious and lay leaders, health care and mental health professionals, law enforcement, and parents) on the precursors to abuse, the impact on children, reporting processes and procedures, and protective factors.

Family Interactive Activities

Interactive family social events that focus on the whole family will be conducted at least three times a year. These programs may include field trips, picnics, fairs, workshops, potluck dinners, group activities, etc. Events should be interactive in nature and have a planned purpose for familial learning. These are not stand-alone programs but are used to enhance a more intensive program or provide an opportunity for public awareness of child abuse and neglect prevention. These activities support the Protective Factor, Social Connections, identified by the Center for the Study of Social Policy and the Child Welfare Information Gateway as a factor for reducing child abuse and neglect. It is recommended that one of these activities be conducted during National Child Abuse Prevention Month in April.

Family Resource Center

The driving force of all program components stem from a successful *Family Resource Center*. *Family Resource Centers* are community-based, flexible, family-focused, and culturally sensitive facilities that provide programs and services based on the needs of the families. *Family Resource Centers* serve diverse populations and may be located in a variety of community settings. *Family Resource Centers* promote both the strengthening of families through formal and informal support and the restoration of a strong sense of community. Services may include:

- Parent skill training, including teen parent training
- Drop-in centers
- Home visiting programs
- Job training
- Employment seeking skills
- Substance abuse prevention
- Violence prevention
- Services for children with special needs
- Mental health or family counseling
- Childcare
- Literacy
- Respite and crisis care services
- Assistance with basic economic needs
- Housing
- Support groups
- Resource libraries
- Resource Directory
- Services for adult former victims of abuse or victims of domestic violence
- Parent-to-Parent mentoring
- Workshops for parents/caregivers

For more detail on Family Resources Centers please visit:

<https://www.childwelfare.gov/topics/preventing/prevention-programs/familyresource/>.

As a requirement of this RFP, the proposer will address the development of their *Family Resource Center* and essential components. Components will be specified as to those required in the initial development phase of the *Family Resource Center* and those requested for future development within the program to include renewal periods. Other voluntary components may be included based upon need of the community as development continues. *Family Resource Centers* should be operated so that these are open at non-traditional times in addition to regular hours, for example some evening and weekend availability.

Initial Phase Required Components

A. Resource Library

The Resource Library should be a community-based site that provides information and/or material resources on parenting, child development, and child maltreatment prevention. Resources that will assist the families with gaining knowledge in other areas would also be helpful, i.e. money management, job hunting skills, cooking, etc. The Resource Library could be used as a place for families to check out children's developmental toys, board games for family game night, or books for children. Hours of operation should be consistent with the needs of the community and be available at non-traditional hours.

B. Parenting Skills Training/Education

This component should include a formal process for assisting individuals to learn age appropriate, non-violent disciplinary techniques, parenting skills, and stress management techniques. These families may also receive intensive, individualized support to strengthen parental resilience, increase social connections, and access to concrete supports, when needed. Interventions are unique to each community and are culturally sensitive. Where appropriate, programs must include a parent leadership component.

The proposer will be required to develop a formal parenting program utilizing a standardized curriculum. The curriculum should be researched based as outlined in definitions list above in the **Program Narrative** section.

C. Parent Café Model

Parent Cafés are highly structured groups that meet regularly to discuss parenting issues, focusing on the strengths of parents and providing reinforcement for those behaviors. Parent Cafés will be held to provide opportunities for adults to meet together in existing and newly formed groups to discuss parenting issues relevant to their circumstances with the aid of a trained facilitator. Parent Cafés can be formed or infused into existing groups for the general population of parents, and other caregivers in communities. Parent Cafés must be provided as per the design and structure set forth in the Parent Café Model in order to maintain fidelity.

D. Case Management

Program staff will extend Case Management support to families receiving targeted support services, and link them with other community agencies to help them secure concrete support for basic needs and referrals for other needed services.

The intake process for enrolling these families will include a comprehensive plan of a continuum of services based on an assessment of needs and the development of a Family Plan. Family Plans will be developed involving the parents' perspective of understanding the needs and strengths of their families paired with the staff's current knowledge of research and effective practice in family health and well-being. In addition, approaching family services through a collaborative effort from various community agencies will ensure a comprehensive continuum of intervention that will address the needs of the entire family. This will involve aligning intake and assessment procedures to ensure results present a comprehensive assessment of the family's needs, strengths, and protective factors.

Future Phase Required Components

A. Temporary Respite Care/Crisis Care

Respite care provides parents and other caregivers with short-term child care services that offer temporary relief, improve family stability, and reduce the risk of abuse or neglect. Respite can be planned or offered during emergencies or times of crisis. It is a temporary alternative care for the child. Temporary respite care will be made available for families of young children while the parent/caregiver pursues job prep/work, goes to doctor visits, cares for sick family members, participates in parenting classes, etc.

Developmentally appropriate educational experiences will be provided for these children while in respite care. Respite care hours may be conducted within traditional childcare facility hours.

B. Support Groups

Support Groups for families facing similar issues and problems will be established to provide peer encouragement and guidance. The purpose is to link individuals to groups of people with similar problems and concerns who meet regularly as a group. This may be accomplished in conjunction with other community resource groups.

C. Community Resource Guide

A community resource guide will be published annually that provides a list of community agencies and organizations to direct families to other programs and agencies that provide needed services such as adult education classes, job training, respite care, physical and mental health services, and basic needs (food, clothing and shelter). It will be updated to include resources available at the county level.

D. Parent Workshops/Classes

Development of workshops or classes to promote the protective factors and strengthen families will be required throughout the year. These may focus on specific topics or activities that may be of interest to the community or families within your service area. Examples may be computer classes, resume' writing, "cooking with kids", "pampered parents", etc.

I. Subgrant Reporting Requirements

Proper record-keeping is required of all subgrantees to ensure that documentation used to accomplish their assigned tasks is available for monitoring purposes. Grantees are expected to illustrate their evaluation and reporting plans as a part of their proposal submission. Specific reporting requirements will be jointly developed between MDCPS and the successful proposer(s) to meet the proposer's specific program characteristics.

A representative of the program will be required to attend the quarterly MS Children's Trust Fund Advisory Council Meeting and present on the organization's subgrant activities for that quarter.

Organizations receiving funds through the prevention funds subgrant must submit a brief end of the year report on the funded project documenting activities, including actual date(s) of occurrence, project outcomes, summary of expenditures paid for with awarded funds, photo documentation of project (if applicable), pre and post survey results, lessons learned – both positive and negative and evaluation results including audience/beneficiary feedback.

J. Evaluation

Proposers should make evident their evaluation process. The awardee is expected to establish and monitor metrics of success jointly with MDCPS. Describe what will serve as your criteria for success with regard to this subgrant. Copies of the proposed evaluation form and participant surveys are recommended as attachments to the proposal. For each metric identified, describe the data collection strategy and the mechanism through which the data will be used to improve program development and service delivery.

K. Additional Requirements

Organizations receiving funds through the subgrant must acknowledge support through placement of the MDCPS logo and child abuse reporting number on all project-related printed materials, including websites. Verbal acknowledgment must be given where printed acknowledgment is not possible. Prior approval of any materials upon which the logo will be placed should first be obtained from the MDCPS. MDCPS must review, provide advisory input, and approval of any publications, audiovisuals, and other materials produced under the auspices of this subgrant. Such review should start as part of concept development and include review of drafts and final products. The subgrantee must provide MDCPS with an electronic copy of, or electronic access to, each product developed under the auspices of this project. MDCPS has uncontested access to any and all data generated under this subgrant, and a royalty-free, nonexclusive, and irrevocable license for MDCPS to reproduce, publish, or otherwise use any products derived from activities conducted under this subgrant.

Funded agencies will be required to attend an initial training that will provide clarification of the grant requirements, the stages of prevention, performance-based evaluation, cultural competency, and how to engage parents in prevention. Additional training requirements may be required for specific program components.

It is recommended that the funded agency develop an Advisory Council for their program in order to guide the program's strategies and activities. The Council could be composed of members with representation of families served, faith-based groups, healthcare, business and community leaders, and other community resources.

Training and material needs for program development in the initial phase should be included within the Budget and Budget Narrative sections of the proposal. Details of the required training and material needs may be included within the Program Narrative section for each program strategy.

- 9) A budget narrative and estimate of price to provide the services solicited in this RFP.

Funding

To fulfill the requirements of this RFP, it is the intent of MDCPS to secure one or more subgrants with community-based school systems across the state with the capacity to carry out community-based child abuse prevention programs. The number of subgrants awarded will be dependent on available child abuse and neglect prevention funds. MDCPS plans to award subgrants not to exceed **\$75,000** for the initial four (4) months for the launch of the program for the proposed funding year. Renewals will not exceed **\$150,000** a year per subgrant.

The first subgrant period of four (4) months will be considered a period for planning, formulation, and initial implementation of the planned activities. This should be outlined within the proposed budget narrative. There is an expectation that additional staff may be needed in order to implement this program. The plans should be addressed within the budget narrative as to how this will be accomplished prior to the time for implementation.

Agencies are required to seek innovative approaches to coordinating funding streams and leveraging additional resources to augment these funds. This subgrant requires that a **20% match fund** be provided or secured by the proposer to be expended on the project. These additional funds should be included within the proposed budget. All Proposers should submit a proposed budget that includes the projected grant award amount and the minimum 20% proposer match funds.

Organizations should have a plan for sustainability of the project past the completion of all funding cycles including renewals and document this plan in the renewal proposals. MDCPS intends to make subgrant negotiations dependent upon available funding.

MDCPS reserves the right to reject any or all proposals, or to cancel the RFP in its entirety. MDCPS reserves the right to negotiate potentially fundable proposals, including requirements of additional information or clarification, or to request revisions.

Subgrants will be restricted to direct service activities and reasonable administrative costs directly related to the successful accomplishment of all elements of Section I of this document.

MDCPS reserves the right to terminate any contract at any time, subject to current subgrant provisions, and avail itself to any and all remedies available to protect its interests.

Payment for services will be on a **cost reimbursement basis only**. Payment will be requested by submission of a claim form documenting services of any negotiated subgrant provided. Any request for payment shall comply with MDCPS and State of Mississippi accounting system requirements. MDCPS intends to make subsequent subgrant negotiations dependent upon available funding.

Proper record-keeping is required of all subgrantees to ensure that documentation used to accomplish their assigned tasks is available for monitoring purposes. The Subgrantee shall ensure that MDCPS is satisfied with the services being provided.

Renewal of Subgrants

The term of the subgrant shall be for a period of four (4) months. At the discretion of MDCPS, the program contract with successful proposers may be renewed for four (4) additional terms of one year, or a total four (4) additional years after the initial term. The total number of renewal years permitted shall not exceed four (4).

Section II - RFP Process

This RFP provides background information and describes the subgrant services desired by MDCPS. It delineates the requirements for this procurement and specifies the contractual conditions required by MDCPS.

Parties responding to this RFP will be referred to as “Proposers.” The successful Proposer to whom the contract will be awarded will be referred to as “Subgrantee.”

Any proposals received after the deadline will be marked LATE and will not be evaluated. All proposals received by MDCPS are deemed to be the property of MDCPS and may be used as MDCPS sees fit. MDCPS will not be responsible for non-delivery or late delivery of proposals.

Agencies of the State of Mississippi shall adhere to extremely strict guidelines concerning Procurement, Bidding and RFP processes. Lapses in protocol or deviations from the published standards can result in formal objections, legal challenges and delays in the overall award process, which will ultimately result in failure to provide the necessary services to the citizens of Mississippi.

MDCPS reserves the right to reject any and all proposals where the proposer takes exception to the terms and conditions of the RFP and/or fails to meet the terms and conditions and/or in any way attempts to limit the rights of MDCPS and/or the State of Mississippi, including but not limited to the required contractual terms and provisions set forth in this RFP.

H. Cost of Proposal

Costs for developing proposals are entirely the responsibility of the Proposer and are not chargeable to MDCPS or the State of Mississippi.

I. Oral Presentation

Proposers submitting proposals in response to this RFP **may** be required, at MDCPS' discretion, to make an oral presentation of their proposals. The objectives of such presentations will be to clarify any questions MDCPS may have regarding proposed services and costs to assist MDCPS in arriving at a final selection. Toward this end, Proposers shall have employees selected for key management positions available for attendance if a presentation is required. MDCPS will schedule the time and location of these presentations. These oral presentations are an option of MDCPS and may not be conducted.

J. RFP Modifications

Any changes deemed necessary by MDCPS to this RFP will be submitted as an addendum to the RFP. If MDCPS shall amend any segment of the RFP after submission of proposals and prior to announcement of the successful subgrant, the dates for submission of revised proposals will be announced at that time. All responding Proposers will be afforded ample opportunity to revise their proposals to accommodate the RFP amendment. All proposals, including revisions, will be considered confidential until a final determination has been made by MDCPS.

K. Addenda/Revisions to Proposals

Unless requested by MDCPS, MDCPS will not accept any addenda, revisions or alterations to proposals after the proposal due date. However, MDCPS reserves the right to request clarifications or corrections to proposals, to reject any and all proposals or to cancel the RFP in its entirety at MDCPS's sole discretion. Any application or proposal received which does not comply with these general instructions will be considered to be nonresponsive, and the proposal will be rejected.

L. Proposer/Subgrantee Disclosure Data

Ownership of all data, materials and documentation originated and prepared for MDCPS pursuant to the RFP shall belong exclusively to MDCPS and be subject to public inspection in accordance with the Mississippi Public Records Act, Sections 25-61-1 et seq. of the 1972 Mississippi Code Annotated, as amended. Trade secrets or confidential commercial or financial information submitted by a Proposer may not be subject to public disclosure under the Act. However, the Proposer shall invoke the protections of Section 25-61-9 before or at the time the data is submitted. The written notice shall specifically identify the data or materials to be protected and state the reasons why protection is

necessary. The confidential information or trade secret material submitted shall be identified by some distinct method such as, but not limited to, highlighting or underlining and shall indicate the specific words, figures, or paragraphs that constitute trade secret or confidential information. The classification of an entire proposal document, line item prices and/or total proposal price as confidential or trade secrets is not acceptable and will result in rejection and return of the proposal.

M. MDCPS' Rights Reserved

Notwithstanding anything to the contrary, MDCPS reserves the right to:

- i. Reject any and/or all proposals received in response to this RFP.
- ii. Respond to inquiries for clarification purposes only and/or to request clarification, if necessary.
- iii. Waive minor irregularities if MDCPS determines that waiver would be in its best interest and would not result in an unfair advantage for other proposers and potential proposers.
- iv. Select for subgrants or for negotiations, a proposal other than that with the lowest cost.
- v. Consider a late modification of a proposal if the proposal itself was submitted on time and if the modifications were requested by MDCPS and the modifications make the terms of the proposal more favorable to MDCPS, and accept such proposal as modified. MDCPS will allow all eligible Proposers to submit late modifications, similar in scope, if MDCPS chooses to exercise this right with regard to any one Proposer's proposal.
- vi. Negotiate as to any aspect of the proposal with any Proposer and negotiate with more than one Proposer at the same time.
- vii. If negotiations fail to result in a contract or agreement within five (5) working days of the evaluation completion date, terminate negotiations and take such other action as MDCPS deems appropriate.

N. Subgrantee Acceptance of RFP Content

The contents of this RFP and the accepted proposal of the successful Proposer will become part of the final subgrant, if a subgrant is awarded. Each Proposer's proposal shall include a statement of acceptance of all terms and conditions stated within this RFP or a detailed statement of exception for each item excepted by the Proposer. Any proposal which fails to comply with this requirement may be disqualified as nonresponsive.

O. Proposal Acceptance by MDCPS

MDCPS will accept proposals and award subgrants to the RFP. Determination of proposal acceptance will be based on, but not necessarily limited to, conformity to the RFP requirements, cost, capability, experience, quality of service and Proposer's ability to provide the required services, with final determination to be made by MDCPS.

P. Legal Requirements

All Proposers shall be willing to comply with all provisions of the Mississippi Department of Human Services Subgrant/Agreement Manual and with all state and federal legal requirements regarding the performance of the subgrant. The existing requirements are set forth throughout this RFP but are subject to change and/or interpretation throughout the term of any resulting subgrant.

As provided in Other Required Statements, Section III, Item B, Number 5G. Proposers shall take exception to each provision of the required contractual terms they would like to change. Failure to do so will be deemed an acceptance of all the terms and conditions not specifically excepted.

Q. Protest Bond

Requirement. As a condition precedent to filing a protest, the protestor shall provide a Protest Bond as described in this Section. The protestor shall procure, submit to MDCPS with its written protest, and maintain in effect at all times during the course of the protest or appeal thereof, a Protest Bond in a sum equal to the amount of the protestor's proposal for the services required by this RFP.

The Bond shall be issued by a company licensed or authorized to do business in the State of Mississippi and acceptable to MDCPS. The Bond shall be accompanied by a duly authenticated or certified document evidencing that the party executing the Bond is a licensed Mississippi agent for the bonding company. This certified document shall identify the name and address of the person or entity holding the Protest Bond and shall identify a contact person to be notified in the event that MDCPS or the State of Mississippi takes action against the Bond. The Protest Bond shall not be released to the protestor until the protest is finally resolved and the time for all appeals has expired.

The Protest Bond shall be procured at the protestor's expense and made payable to MDCPS. Prior to approval of the Protest Bond, MDCPS reserves the right to review the Bond and require the protestor to substitute an acceptable bond in such form as MDCPS may require.

Subject of Protest. The only grounds for protest are as follows:

- i. Errors were made in computing scores upon which an award was based;
- ii. MDCPS failed to follow procedures established by this RFP and/or applicable policies and procedures of MDCPS and/or the State of Mississippi;
- iii. Bias, discrimination or conflict of interest existed on the part of an evaluator; or
- iv. Scope and intent of the project as specified in the executed subgrant differ materially from the scope and intent of the RFP.

Protests not based on the above described criteria will be rejected.

Resolution of Protests. Protests allowed by this Section shall follow MDHS' procedures for hearing contested cases, which will be made available upon request.

R. Fidelity/Dishonesty Bond

Within ten (10) working days of notification of an award, the Subgrantee shall submit to MDCPS a Fidelity/Dishonesty Bond in favor of MDCPS with surety or sureties satisfactory to MDCPS for the term of the subgrant. The amount of the Bond will equal 25% of the total subgrant award. Failure to provide the Fidelity/Dishonesty Bond within the stated time period may result in the Subgrantee being deemed as nonresponsive and the proposal may be immediately disqualified with no further consideration given for potential awarding of the contract to said Subgrantee.

The Bond shall be secured from a company authorized to transact business in the State of Mississippi. The Bond shall be made payable to MDCPS.

The Bond shall become effective upon written notification that a subgrant has been awarded to the Subgrantee. The Bond shall remain in full force and effect for the duration of the subgrant. Any action by the Subgrantee and/or the bonding company to revoke and/or cancel the Bond prior to the expiration of the subgrant will constitute a breach of subgrant and will result in immediate cancellation of the subgrant. Shall this occur the Subgrantee will be held liable for any additional costs incurred by MDCPS in seeking replacement services.

S. Publicity

Any use or reference of this RFP by the Subgrantee/Proposer to promote, solicit or disseminate information regarding the award of the Subgrant or the services being provided is prohibited, unless otherwise agreed to in writing by MDCPS.

T. Rights to Data

MDCPS will retain custody of and have primary rights to any data developed under this award. The subgrantee shall make reasonable efforts; however, to provide MDCPS and other researchers' appropriate and speedy access to research data from this project and establish public use files of research data developed under this award.

Each paragraph in the proposal shall reference the paragraph number or letter of the corresponding section of the RFP. If the response covers more than one page, the paragraph number and/or letter shall be repeated at the top of the next page. Information which the Proposer desires to present that does not fall within any of the requirements of the RFP shall be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. **Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.**

The Proposer shall obtain and submit a letter from the Certified Public Accountant who conducted audit(s) stating the proposer's accounting system is adequate to safeguard funds received from MDCPS. MDCPS reserves the right to request any additional information to assure itself of a Proposer's financial status.

In the event a Proposer is either substantially or wholly owned by another corporate entity, the proposal shall also include an independent audit for Fiscal Year 2017 for the parent organization. If the FY 2017 audit is not completed, refer to the instructions above in providing the FY 2016 audit and CPA certification. **A compiled financial statement is unacceptable.** If the audit is posted on a website, a working web address for submission is acceptable. The proposal shall contain the information or statements described below. Failure by any Proposer to include the information or statements in the proposal may result in its being declared unacceptable, and the Proposer will receive no further consideration for award of the subgrant.

Examination of Records

At the time a proposal is submitted, the Proposer shall include a statement of whether there is a reasonable expectation that it is or would be associated with any parent, affiliate, or subsidiary organization in order to provide any service to comply with the performance requirements under the resulting subgrant of the RFP. This statement is required whether the association is a formal or informal arrangement. If an association may exist, the Proposer will also be required to submit with the proposal written authorization from the parent, affiliate or subsidiary organization granting the right to MDCPS to examine directly, pertinent books, documents, papers, and records involving such transactions that are related to the resulting subgrant.

and authorization from the parent, affiliate, or subsidiary organization within ten (10) working days after forming the relationship. Failure to submit such certification and authorization will constitute grounds for termination of the subgrant at the option of the State.

D. Conflict of Interest

Proposer shall disclose any contractual relationship or other contract with any State personnel, contractor or subcontractor involved in the development of the RFP. Any real or potential conflicts of interest may, at the sole discretion of MDCPS, be grounds for rejection of the Proposer's proposal or termination of any contract awarded. BUDGET AND BUDGET NARRATIVE (MAXIMUM 30 POINTS)

The 12-month (more or less, if applicable) budget request is reasonable for the proposed scope of services and the areas to be served. Emphasis is placed on deliverable products and services versus administrative costs. Administrative costs include costs related to the direct oversight of the funded project and shall not include costs related to personnel performing services offered as a result of the funding. Administrative costs shall include a portion of the administrator's salary, fringe, travel, equipment costs, etc. To assist in creating the budget narrative, a sample budget may be reviewed in the MDHS Subgrant/Agreement Manual online at <http://www.mdhs.ms.gov/subgrantee-manual/>.

SUBCONTRACTOR BUDGET (IF APPLICABLE) (NO POINTS)

A budget and budget narrative shall be attached for any subcontractor services involved in the operation of the program(s).

TOTAL POINTS POSSIBLE: 100

(75 POINTS OR ABOVE IS CONSIDERED A PASSING SCORE IN PHASE II.)

OVERVIEW OF EVALUATION METHODOLOGY

1. At any time during the evaluation, MDCPS may request a Proposer to provide explicit written clarification of any part of the Proposer's proposal.
2. At its discretion, MDCPS may perform an appropriate cost and pricing analysis of a Proposer's proposal.
3. If a subgrant is awarded, the award will be made to that financially responsible and technically responsive Proposer whose proposal conforms to the conditions and requirements of this RFP, and which is most advantageous to MDCPS with price and other factors considered. MDCPS will notify the successful Proposer in writing of the award of the subgrant. MDCPS will notify the unsuccessful Proposers in writing that their proposals have not been accepted.
4. The evaluation will be conducted in three phases:
 - a. Phase I In House Review Process
 - b. Phase II Evaluation and Rating of Proposals
 - c. Phase III Selection of the Successful Proposer(s)

PROPOSAL REVIEW COMMITTEE

1. A committee will be selected to evaluate and rate proposals. Members of the Evaluation committee will be from pertinent MDCPS programmatic and administrative personnel.
2. Other professional staff and consultants may also assist in the evaluation process.
3. MDCPS reserves the right to alter the composition of the Evaluation Committee and their specific responsibilities.

PROPOSAL REVIEW PHASES

A. Phase I - In-House Reviews

1. A responsive proposal shall comply with the instructions listed in this RFP and follow the format defined in Section III. This phase will entail the review and confirmation of the mandatory technical, format, and content requirements contained in Section III (Proposal Format) and Section II. At the deadline to submit the proposal, MDCPS staff will review

proposals for eligibility of review. In order to be eligible for review, **ALL** of the following elements shall be present/included with the proposal submission:

- Proposal submitted
- Received by published deadline
- Proposal clearly indexed and divided by sections
- Proposal is signed by authorized representative
- Proposal includes Cover Sheet
- Proposal includes Transmittal Letter
- Taxpayer identification number and certification (W-9)

MDCPS reserves the right to reject any and all proposals. If all requirements are satisfied, the proposal is eligible for Phase II of the review process. Proposals are assigned a unique proposal number. If a proposal is **not** eligible for Phase II of the review process, the applying agency will be notified in writing which may include electronic mail.

B. Phase II - Evaluation and Rating of Proposals

- a. Only those proposals found to be responsive under Phase I will be considered in Phase II. During the course of the Phase II evaluation, MDCPS may request oral presentations by Proposers and an interview with the proposed key/lead personnel. Reference checks may also be made. However, MDCPS reserves the right to make an award without further clarification of the proposals received. Therefore, it is important that each proposal be submitted in the most complete manner possible.
- b. To solicit proposal reviewers for the Phase II of the review process, MDCPS will publish an Invitation to Review to potential proposal reviewers. Proposal reviewers may consist of professionals from a variety of settings and employees of MDHS. Reviewers are volunteers and are never paid, or in any way compensated for their time or expertise.
- c. Reviewers shall sign a Confidentiality Agreement stating that all proposal information and the review process are confidential and may not be discussed. Once Confidentiality Agreements have been signed and returned, reviewers are presented with a list of names of applying agencies. Reviewers shall recuse themselves from reviewing any proposal from an agency which represents a conflict of interest. Once Recusal Forms have been completed, the remaining Reviewers are assigned a unique Reviewer Number. Reviewers are assigned proposals.

C. Phase III - Selection of the Successful Proposer(s)

- a. Only the proposals found to be responsive under Phases I and II will be considered in Phase III.
- b. Reviewer scores are reviewed by MDCPS **to ensure accurate reporting of scores only**. A score of 75 is the minimum score allowed to be considered for award.

MDCPS will contact the proposal with the highest score to enter into contract negotiations. If negotiations are successful, a contract will be offered to the applying agency. All other proposals will be notified in writing (may include electronic mail) of the award status of their proposal.

- c. Based upon the Evaluation Committees' scores, recommendations will be made by the MDCPS Program Director and the Deputy Commissioner of Administration with the final decision being made by the MDCPS Commissioner.

If at any time, MDCPS discovers any action or event that represents a conflict of interest during the course of the review process, new reviewers will be assigned to any and all proposals impacted.

MDCPS may submit a list of detailed comments, questions, and concerns to one or more Proposers for response. MDCPS may require said response to be written, oral, or both. MDCPS will only use written responses for evaluation purposes. The total score for those Proposers selected to respond may be revised as a result of the responses. Subsequent to this, MDCPS will select and notify the successful Proposer.

First consideration will be given to the Proposer(s) with the highest total points. Proposer(s) with the next highest number of points may be selected for consideration until all funding for this opportunity has been expended. MDCPS may also cancel this RFP or reject proposals at any time prior to award of a subgrant. MDCPS is not required to furnish a statement of the reason(s) why a proposal was not accepted.

The final award decision will be made by the Commissioner of MDCPS. The Commissioner may accept or reject the recommendation of the Evaluation Committee.

At MDCPS' discretion, the evaluation may also include communication with any and all prior and current clients and/or programs/project of the proposer/subgrantee and verification of the subgrantee's qualification to perform the services described in its proposals. If MDCPS determines that any of the information provided cannot be verified or if information obtained during the course of the verification process or from prior/current clients and/or programs/projects negates the responsiveness of the proposer's proposal, MDCPS reserves the right to adjust scores appropriate and/or to disqualify that proposal.

It is expressly understood and agreed that the obligation of the MDCPS to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to MDCPS, MDCPS shall have the right upon ten (10) working days written notice to Independent Contractor, to terminate this agreement without damage, penalty, cost or expenses to the MDCPS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

SECTION VI RELATIONSHIP OF THE PARTIES

- A.** It is expressly understood and agreed that MDCPS enters into this Subgrant with Subgrantee on a purchase of service basis and not on an employer-employee relationship basis. Nothing contained herein shall be deemed or construed by MDCPS, the Subgrantee, or any third party as creating the relationship of principal and agent, partners, joint venturers, or any similar such relationship between MDCPS and the Subgrantee. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of MDCPS or the Subgrantee hereunder, creates or shall be deemed to create a relationship other than the independent relationship of MDCPS and the Subgrantee.
- B.** Subgrantee represents that it has, or will secure, at its own expense, applicable personnel who shall be qualified to perform the duty required to be performed under this Subgrant.
- C.** Any person assigned by Subgrantee to perform the services hereunder shall be the employee of Subgrantee, who shall have the sole right to hire and discharge its employee. MDCPS may, however, direct Subgrantee to replace any of its employees under this Subgrant. If Subgrantee is notified within the first eight (8) hours of assignment that the person is unsatisfactory, Subgrantee will not charge MDCPS for those hours. The Subgrantee will replace the employee within 5 days after receipt of notice from MDCPS.
- D.** It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performances hereunder, and that any sum due and payable to Subgrantee shall be paid as a gross sum with no withholdings or deductions being made by MDCPS for any purpose from said Subgrant sum.
- E.** Subgrantee shall pay when due all salaries and wages of its employees, and it accepts exclusive responsibility for the payment of Federal Income Tax, State Income Tax, Social Security, Unemployment Compensation and any other withholdings that may be required.

SECTION VII TERMINATION OR SUSPENSION

A. TERMINATION FOR CAUSE

If, through any cause, Subgrantee fails to fulfill in a timely and proper manner, as determined by MDCPS, its obligations under this Subgrant, or if Subgrantee violates any of the covenants, agreements, or stipulations of this Subgrant, MDCPS shall thereupon have

the right to terminate the Subgrant by giving written notice to Subgrantee of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination.

B. TERMINATION FOR CONVENIENCE

1. *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this subgrant in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Subgrantee specifying the part of the subgrant terminated and when termination becomes effective.
2. *Subgrantee's Obligations.* Subgrantee shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Subgrantee will stop work to the extent specified. Subgrantee shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Subgrantee shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Subgrantee to assign Subgrantee's right, title, and interest under terminated orders or subcontracts to the State. Subgrantee must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

C. TERMINATION FOR DEFAULT

1. *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

2. *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
3. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
4. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
5. *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
6. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

C. TERMINATION UPON BANKRUPTCY

This subgrant may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

D. TERMINATION IN THE BEST INTEREST OF THE STATE

This Subgrant may be terminated by the MDCPS in whole, or in part, with 15 days' notice whenever MDCPS makes the final determination that such termination is in the best interest of the State of Mississippi. Any such determination will be effected by delivery in writing to the Subgrantee of a notice specifying the extent to which the Subgrant is terminated and the date upon which termination becomes effective. Once the Subgrantee has received notice of termination, Subgrantee shall not make further expenditures for the provision of services under the Subgrant.

E. TERMINATION FOR FORCE MAJEURE

If either Party is rendered unable, wholly or in part, by reason of strikes, accidents, acts of God, weather conditions or other acts beyond its control and without its fault or negligence, to comply with its obligations under this Subgrant, then such party shall have the option to terminate this Subgrant, in whole or in part, upon giving written notice to the other Party.

F. PARTIAL TERMINATION

In the event of a partial termination, the Subgrantee shall incur no obligations other than those specifically identified in the agreement or contract governing the partial termination.

G. RIGHTS AND REMEDIES UPON TERMINATION OR SUSPENSION

In the event of termination or suspension as provided in this Section, Subgrantee shall be entitled to receive just and equitable compensation for unreimbursed obligations or expenses that are reasonably and necessarily incurred in the satisfactory performance, as determined by MDCPS, of this Agreement, that were incurred before the effective date of suspension or termination, and that are not in anticipation of termination or suspension. Costs of the Subgrantee resulting from obligations incurred by the Subgrantee during a suspension or after termination of this subgrant are not allowable under this Agreement. In no case, however, shall said compensation or payment exceed the total amount of this subgrant as set forth in Section IV. Notwithstanding any provisions of this subgrant, Subgrantee shall be liable to MDCPS for damages sustained by MDCPS by virtue of any breach of this Agreement by Subgrantee, and MDCPS may withhold any payments to Subgrantee for the purpose of set off until such times as the exact amount of damages due to MDCPS from Subgrantee are determined.

In case of termination or suspension as provided hereunder, all property, finished or unfinished documents, data, studies, surveys, drawings, photographs, manuals and reports

or other materials prepared by or for the Subgrantee under this Agreement shall, at the option of MDCPS, become the property of MDCPS and shall be disposed of according to MDCPS' directives.

The rights and remedies of MDCPS provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity.

G. TERMINATION OR SUSPENSION

If the Subgrantee materially fails to comply with any of the covenants, terms or stipulations of this Agreement, whether stated in a federal statute or regulation, an assurance, in the State plan or application, a notice of award, or elsewhere, MDCPS may, upon giving written notice to Subgrantee, take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by Subgrantee or more severe enforcement action by MDCPS;
2. Disallow (that is, deny both use of funds and, if applicable, matching credit for) all or part of the cost of the activity or action not in compliance;
3. Wholly or partly suspend or terminate the current award for the Subgrantee's program;
4. Withhold further awards for the Subgrantee's program; or
5. Take other remedies that may be legally available.

SECTION VIII COMPLAINT RESOLUTION

Subgrantee assures that persons requesting or receiving services under this Agreement shall have the right to a complaint resolution procedure regarding any decision relating to this Agreement. Said procedures may be under the Fair Hearing Procedure of the Mississippi Department of Human Services, or under a conciliation process, or that required by the MDCPS as authorized by the Mississippi Administrative Procedures Law, Mississippi Code Annotated 1972, as amended, Section 25-43-1 et. seq., or under the complaint procedure of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, whichever is appropriate to the complaint as directed by MDCPS.

SECTION IX COMPLIANCE WITH LAWS, RULES, AND REGULATIONS

Subgrantee shall comply with all applicable policies and procedures of MDCPS and with all applicable laws, rules and regulations of the federal government and of the State of Mississippi that may affect the performance of services under this Agreement. The Subgrantee shall comply with, among other regulations, the Act; the 2016 MDHS Subgrant/Agreement Manual, and the applicable Code of Federal Regulations.

If the Subgrantee advertises or prints brochures, flyers or any other material, printed or otherwise, relating to, or promoting, the services which it is providing through this Subgrant, it shall acknowledge that said funding for said Subgrant and for said advertising was provided by MDCPS.

In executing this Subgrant, Subgrantee shall comply with all federal and/or state statutes or regulations that are made applicable to the grant when properly promulgated and published by the Federal and/or State Government. It is specifically agreed that should additional federal legislation be enacted, or should the U.S. Department of Health and Human Services or other governing federal agencies enacted new regulations or promulgate changes or amendments in existing regulations which require changes in any provision of their grant, then those provisions of this Subgrant affected thereby shall automatically be amended to conform to such federal statute or regulation as of the effective date of their enactment.
